Description

Introduction:

Once the user logs in, they will be directed to the Products Page, more specifically the Single Products Page under Products:

<https://www.figma.com/file/nnC9HkXibrjG9EyQpFxoel/Item-PIM?type=design&node-id=530-20391&mode=design&t=LigpxWk0BfXE9D12-0>

Below are some pre-existing functions we can use from another apps:

The screenshot shows the Item PIM application interface. Red annotations highlight key features:

- show the available apps in the user account:** Points to the 'Apps' icon in the top navigation bar.
- collapse side menu:** Points to the 'Menu' icon in the top navigation bar.
- Changes to another merchant:** Points to the 'Merchant A' dropdown menu in the top navigation bar.

The main content area displays the 'Single Products' section, which includes a table of products and a sidebar with navigation options.

The screenshot shows the PIM (Product Information Management) interface. The sidebar on the left contains navigation links: **Item PIM**, **Products** (selected), **Channels**, **Inventory**, **Pricing**, and **User**. The main content area is titled **Single Products** and features a table of products. The table has columns: **MASTER SKU**, **TITLE**, **DIMENSION**, **UCM**, **WEIGHT**, **UCM**, **INVENTORY**, **PRICE**, and **DATE ADDED**. Five products are listed, all with a 'Pink Travel Bag' title and a price of \$29.99. A red arrow points from the text 'copy from other pre-existing apps' to the 'Help | API | Feedback | Download' link in the bottom right corner.
